

Formal Sponsorship Request

Dear Sir or Ma'am:

The Gerald Bridle and Saddle Club would like to take this opportunity to invite your business to participate as a sponsor of our club.

The members of the club are planning exciting events for this year including two Rodeo's, another Bull Bash, a Coggins clinic and a series of Fun Shows with High Point awards at the end of the series. We are seeking monetary support to make this year the best possible entertainment for our citizens and to draw the best competitors possible.

The Bull Bash is like no other competition in our area. Headquartered in Mansfield, Missouri the NFPB promotes only professional competitions where the most elite bull riders of our region compete for their year-end finals in November, where one cowboy will walk away as the Professional Bull Rider of the Year award. With your support we feel that we can surpass all expectations for a most memorable event.

I have attached a copy of the sponsorship form with outlining details of sponsorship. Your prompt response will ensure that your sponsorship is secured and that the club will benefit from the support of the community again as in years past.

If you have any questions regarding sponsorship or what your sponsorship will help the club fund, please feel free to contact any of the club officers or members.

Sincerely,

Pat Holland,

President, 573 764 5900

Katrinia Henson – 573 578 6206

Gerri Muldrow – 314 808 2475
