

Gerald Bridle & Saddle Club

Meeting: Jan 3, 2016; 5pm at the Dolan Office

Meeting called to order at 5:25pm by Jim Blau

Attending:

Pat Holland, Katrinia Box-Henson, Tim Henson, Kaden Henson, Jim Blau, Wayne Straussner, Robin Schnebelen, Gerri Muldrow, Teresa Woolley and Laura Hedrick.

Old Business:

Meeting Minutes:

Minutes from Dec 6 meeting were read and accepted with minor spelling corrections.

Treasurer's Report:

Mike was not here but there were no known credits or debits. Total balance \$3091 from Dec.

Arena Locking:

Since the cook shack and light box keys are in the current lock box and no one but officers need this access it was suggested that we put a second lock box on the arena gate with only the key to the arena lock in it. Motion was made and approved by all present. Pat will take care of this.

Sponsorships:

Sponsorships since we are not covering the cost of the Bull Bash were decided to be one price only for the year: \$150 which included an arena banner and ad copy to be read during events. Gerri will put together new sponsorship forms and a cover letter for this year's program within the next week.

Coggins Clinic:

Katrinia will get with Shannon Baker to pin down a date.

New Business:

Meeting Agenda:

Since Pat was not there at the beginning of the meeting it was decided that we should have a working agenda going forward for each meeting.

Cook Shack Addition:

It was brought up that an addition to the cook shack to provide cover for inclement weather would be a nice idea. Dimensions were considered and it was pointed out that if it was constructed at the front of the shack it would obscure the view of the arena. Discussion was held about where to put the addition and how large it

should be. Jim Blau said he would be happy to donate funds to help purchase any new metal needed. It was decided to continue this discussion next month after we've had a chance to go look at the cook shack and surrounding terrain to decide the best location and size for an addition.

Cook Shack Menu:

Wayne brought wonderful pulled pork for us to try as a new addition to the cook shack menu. It was wonderful. We decided to offer it without BBQ sauce and have the BBQ sauce available in a squeeze bottle.

Wayne noted that large cube ice is always needed at events and that cottage cheese containers work very well to make a small block that lasts a long time. We need to start making and saving these for the summer.

Arena Catch Pen Maintenance:

This is still an active item that needs resolution. But it will have to wait for better weather. Mike is to contact Tim when he's ready to proceed.

Motion to adjourn made and seconded at 6:25p. Next meeting Feb 7, @ 5pm at the Dolan Office.

Respectfully Submitted,

Gerri Muldrow, Secretary
